RED ZONE: DO NOT CUT ANY HAIR BY LESS THAN A #2 GUARD*

From the line connecting point A to point B and all hair below until line C

YELLOW ZONE:
CUSTOMARILY TREATED AS RED ZONE
The area between the straight and arched lines connecting point A to point B

ORANGE ZONE:
SOME TREAT AS RED ZONE
Extending sideburns from line C to Line D

*Insures a preferred minimum hair length of .20" (5mm)
Under no circumstance should the hair be cut so short—
even with scissors—that it can't be grasped with one's fingernails

- A** Where hairline of the temple meets the main hairline (on some people this point may be somewhat receded)
- B** Highpoint of hairline that goes around the upper ear
- C** Line is below the protruding bone (felt when mouth is closed) which is also equal to the bottom of ear canal hole
- D** Line is at bottom of the ear cartilage (excluding lobe)
